We provide a forum for industry professionals and service providers to build relationships and share experiences through our four pillars:

- **Advocacy** - A voice for commercial real estate professionals in Saskatchewan is provided through BOMA.
- **Education** - Seminars, courses and online training support members' professional development.
- **Networking** - Monthly luncheons and events provide continuous learning opportunities and the exchange of ideas.
- **Excellence** - Professional designation programs promote excellence amongst our members; BOMA BEST certification recognizes excellence in sustainable building management.
